2023 Pediatric Emergency Medicine Fellows Conference

Advanced Ultrasound Skills Workshop

February 4, 2023

12:00-5:00 PM

**Norton Children's Hospital / 231 E. Chestnut St. Louisville, KY 40202
Scheen Conference Center**

This session will be all hands-on learning to enforce advanced ultrasound skills. Participants will be divided into small groups to allow for more real-time scanning with a variety of ultrasound machines as they are introduced to different techniques to further their skillset. By the end of the workshop, all fellows will have completed ~5 rotations. Over 10 ultrasound trained faculty from multiple different institutions will be leading this amazing workshop. Sign-in and lunch will be from 11a-Noon.

Register now and learn from some of the best in the field of PEM ultrasound.

Cost: \$50

Spots limited to the first 40 registrants!
