Clinical Effectiveness

Mission

Empowering extraordinary care through information, insight, and action

Vision

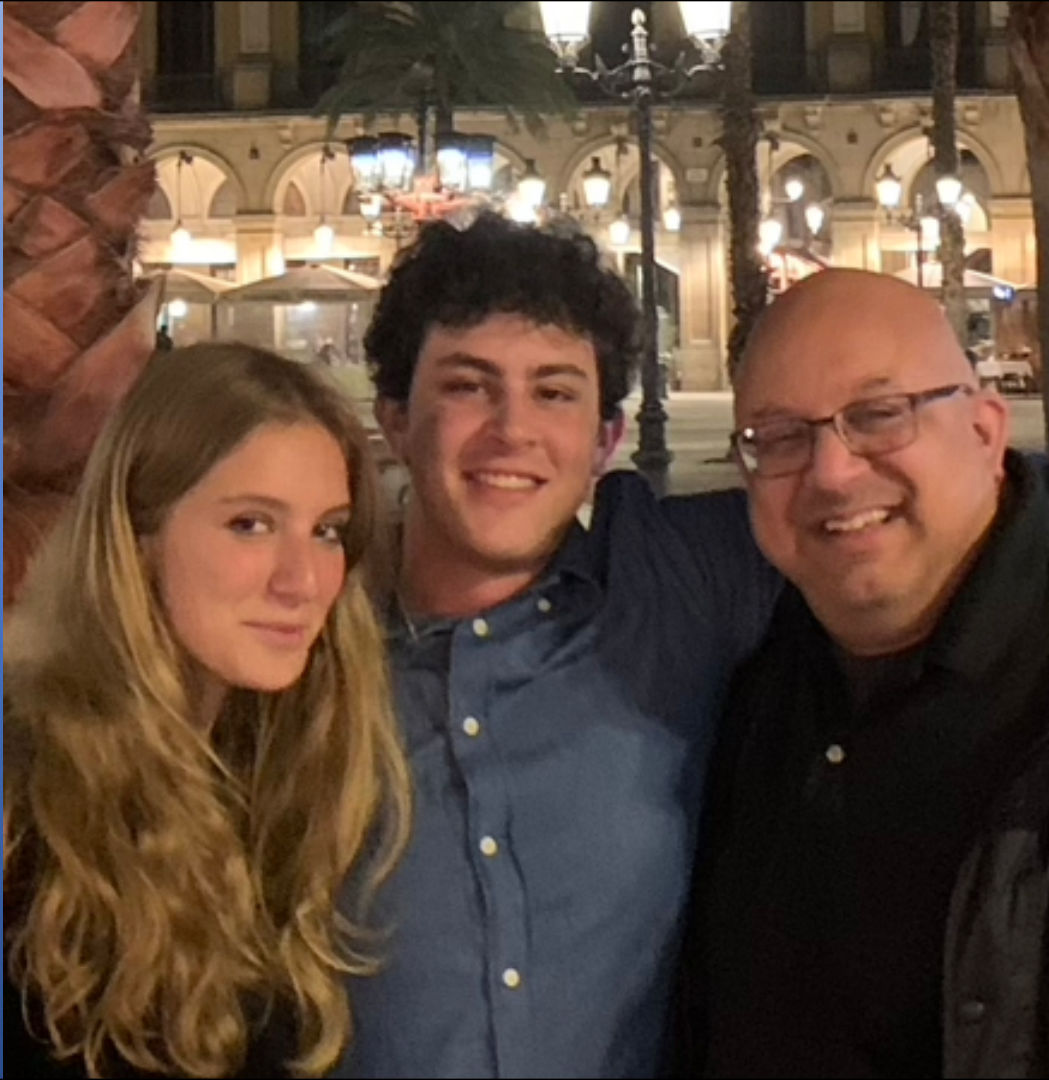

Partner to inspire and serve our community to deliver the highest value care to kids

My advice..(for what it is worth)

- Be a kind person
- Do not be so hard on yourself
- Try to be positive
- Don't be angry that the ED is busy
- Acknowledge your biases
- Don't rush
- Balance passion with pragmatism
- Connect with this PEM community
